The Burlington depot was robbed Thursday night last week, a lone bandit holding up the baggage-man thru a window, making him put all the change and currency in a sack and pass it out to him after tearing the receiver off the telephone. The night operator was lying inside the office asleep on a bench, five dozing out in the waiting room and some stragglers outside, neither of whom was disturbed by the robbery. The amount taken is not reported nor the apprehension of the bad man.

No well people were left in Butler district to wait on those down with flu.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children, of all ages and for grown-ups.

This used to be the Bridge Club

—and many a jolly afternoon they had, too, with their aces, and hearts, and jacks, and trumps.

Then the war came!

Brothers, husbands, sons, sweethearts left home to be aces of the air, jacks of the navy or trumps of the American Army.

The afternoon meetings continued—but the scenes changed to Red Cross workrooms. And serious, busy fingers of hundreds of thousands of patriotic American women worked day in and day out to alleviate the suffering of their loved ones, and yours, too, who responded so gallantly to the country's needs.

They gave their time, and energy, and

devotion to the Red Cross cause of humanity, without stint or murmur—their work has been one of the finest, most enduring examples of unselfish service of America's whole war experience.

Those wonderful women have made the foundation of future Red Cross work, in a big way, possible. That work must go on, of course—as long as American soldiers are over the sea the Red Cross is necessary—as long as emergency relief work needs to be done.

And now comes your turn to make the carrying on of the Red Cross work a certainty—none of your time is asked for no special effort—just the support of your membership.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.
